

SEA CLEANERS

We remove rubbish from the sea, for every being.

Sponsor my harbour clean

- Help me fund a 4000km Pacific row
- Raise cash for the charity keeping Waitemata clean
- Get your company name on an ocean rowing boat

This June Colin Parker will row from Cali to Hawaii to raise awareness of plastic pollution and to fundraise for our charity partner **SEA CLEANERS**.

To fund the row, in which I will spend six weeks rowing 12 hours a day in an eight-metre boat, I'm collecting rubbish from Auckland's waterways on behalf of companies, groups and individuals.

For a \$100 donation I'll remove one 50-litre bag's worth of litter from locations such as Rangitoto Island, Henderson Creek, Tamaki River, the Shore, or anywhere you want to see cleaned.

10% of all donations will be given to charity **SEA CLEANERS**.
